Exhibit L Data Center Services

Article I. Introduction

(a) As described in Section 2.6.4 of the RFO, TexasOnline 2.0 will receive Data Center Services (DCS) from DIR through the DCS Master Services Agreement.

(b) Vendor will contract with DIR for managed Data Center Services by means of a separate Data Center Managed Services Contract for such services. Such Contract is attached as *Attachment L-1*. Vendor agrees to comply with the terms and fulfill the obligations of the Data Center Managed Services Contract as such terms may be applicable to Vendor in the performance of this Master Agreement.

(c) Vendor has agreed with DIR to continue the arrangement for co-location services at the State Data Center in the manner previously addressed in the separate Co-location Services Contract between DIR and BearingPoint, Inc. for such services. Such Contract is attached as *Attachment L-2*. Vendor agrees to comply with the terms and fulfill the obligations of the Co-location Services Contract as such terms may be applicable to Vendor in the performance of this Master Agreement. A list of equipment subject to the Co-location Services Contract is attached as *Attachment L-3*.

(d) DIR will bill Vendor for Data Center Services as an operational expense of the Annual Budget. Payment for these services will be processed by Vendor as an accounts payable transaction, and as such, included in the expenses of TexasOnline 2.0 before any calculation of the State Share of Net Revenue. Payment for Data Center Services will be remitted by Vendor to DIR in accordance with the terms of the Data Center Managed Services Contract, which is incorporated herein by reference.
