Appendix A
Standard Terms and Conditions For Product and Related Services Contracts

Use of the logos may be on the DIR website or on printed materials. Any use of Vendor's and Order Fulfiller's logo by DIR must comply with and be solely related to the purposes of the Contract and any usage guidelines communicated to DIR from time to time. Nothing contained in the Contract will give DIR any right, title, or interest in or to Vendor's or Order Fulfiller's trademarks or the goodwill associated therewith, except for the limited usage rights expressly provided by Vendor and Order Fulfiller.

H. Trade Show Participation

At DIR's discretion, Vendor and Order Fulfillers may be required to participate in one or more DIR sponsored trade shows each calendar year. Vendor understands and agrees that participation, at the Vendor's and Order Fulfiller's expense, includes providing a manned booth display or similar presence. DIR will provide four months advance notice of any required participation. Vendor and Order Fulfillers must display the DIR logo at all trade shows that potential Customers will attend. DIR reserves the right to approve or disapprove of the location or the use of the DIR logo in or on the Vendor's or Order Fulfiller's booth.

I. Orientation Meeting

Within thirty (30) calendar days from execution of the Contract, Vendor and Order Fulfillers will be required to attend an orientation meeting to discuss the content and procedures of the Contract. DIR, at its discretion, may waive the orientation requirement for Vendors who have previously held DIR contracts. Fulfillers for attendance at the meeting.

DIR shall bear no cost for the time and travel of the Vendor for attendance at the meeting.

K. DIR Cost Avoidance

As part of the performance measures reported to state leadership, DIR must provide the cost avoidance the State has achieved through the Contract. Upon request by DIR, Vendor shall provide DIR with a detailed report of a representative sample of products sold under the Contract. The report shall contain: product part number, product description, list price, price to Customer under the Contract, and pricing from three (3) alternative sources under which DIR customers can procure the products.

7. Pricing, Purchase Orders, Invoices, and Payments

A. Manufacturer's Suggested Retail Price (MSRP) or List Price

MSRP is defined as the product sales price list published in some form by the manufacturer or publisher of a product and available to and recognized by the trade. A price list especially prepared for a given solicitation is not acceptable.

B. Customer Discount

The minimum Customer discount for all products and services will be the percentage off MSRP as specified in Appendix C, Pricing Index.

C. Customer Price

1) The price to the Customer shall be calculated as follows:

2) Customers purchasing products and services under this Contract may negotiate more advantageous pricing or participate in special promotional offers. In such event, a copy of such better offerings shall be furnished to DIR upon request.

This requirement applies to products or services quoted by Vendor or its resellers for a quantity of one (1) under like terms and conditions, and does not apply to volume or special pricing purchases. Appendix A
Standard Terms and Conditions For Product and Related Services Contracts

D. Telecommunication Fees and Surcharges and Taxes

(a) The only applicable FCC authorized fee, surcharge or assessment in effect as of the date of this Contract is the Federal Universal Service Fund charge. This fee may appear on billings to Customers. Any FCC, PUC or other authorized telecommunications taxes, fees and surcharges applicable to any Service may only be imposed during the Term, upon a written amendment to authorize such imposition under the Contract. Vendor acknowledges that certain Customers that are political subdivisions of the State, are exempt from the imposition and collection of certain State telecommunications fees, including the Texas Universal Service Fund Charge and the Texas Infrastructure Fund assessment. In addition, State agency Customers have additional exemptions from State telecommunications fees, including the 9-1-1 emergency service fee, 9-1-1 equalization surcharge, poison control surcharge, and late charges imposed under Section 55.010, Texas Utilities Code. Vendor agrees to not bill for any items which are not mandated by the FCC, PUC or other proper authority and which are otherwise not applicable to the Services and for which Vendor has requested and received valid exemption certificates from Customers. Vendor agrees to promptly correct any incorrect billings of telecommunications fees and surcharges that occur. Vendor acknowledges that DIR makes no representations about the exemption status of any Customers that are assistance organizations, as defined in Section 2175.001, Texas Government Code or certain private institutions of higher education under Section 2170.004 (5), Texas Government Code. Vendor must request and receive any exemption certificates that may apply from each such organization directly.

(b) During the Term, all changes in the law or fee structures, which creates or authorizes Vendor to impose an unlisted telecommunications fee and surcharge on the Services, which Vendor desires to impose and for which DIR Customers do not have an exemption, shall require an amendment in order to be effective against the State, DIR and Customers. In the event of a change in the law or telecommunications fees and surcharges structures, which results in an exemption from payment in favor of the State, DIR and/or Customers, Vendor shall give effect to the exemption without the necessity of an amendment hereto.

(c) Vendor acknowledges that certain Government Entity Customers are exempt from state sales, use and excise taxes, Section 151.309, Texas Tax Code, and Federal Excise Tax, 26 USC Sections 4253 (i) and (j). Vendor further acknowledges that State agency Customers are exempt from the assessment and collection of sales taxes imposed by political subdivisions of the State. See Sections 321.208 (municipalities) and 323.207 (counties), Texas Tax Code. The Government Entity Customers shall issue a tax exemption certificate upon request to Vendor. Vendor acknowledges that DIR makes no representation about the exemption status of any Customers that are assistance organizations, as defined in Section 2175.001, Texas Government Code or certain private institutions of higher education under Section 2170.004 (5), Texas Government Code. Vendor must request and receive any exemption certificates that may apply from each such organization directly.

Appendix A

Pursuant to PUC Rule 26.27, a six-month limit from the date of discovery of an error applies to back-billing of all billed Services. Back-billing shall be included in the Adjustments. For purposes of this paragraph, a billing Adjustment is as modification or correction of a billing amount or an element of a Service.

G. DIR Cost Recovery Fee

The DIR Cost Recovery Fee (CRF) is authorized by Chapter 2170, Texas Government Code, and DIR has the discretion to set the rate of the CRF to recover its costs in accordance with the statute. The initial rate for the CRF is set forth in Section 5 Contract DIR-SDD-1777. The DIR CRF specified in Section 5 of the Contract shall not be broken out as a separate line item when pricing or invoice is provided to Customer.

H. Shipping and Handling Fees

The price to the Customer under this Contract shall include all shipping and handling fees. Shipments will be Free On Board Customer's Destination. No additional fees shall be charged to the Customer for standard shipping and handling. If the Customer requests expedited or special delivery, Customer will be responsible for any charges for expedited or special delivery.

I. Tax-Exempt

As per Section 151.309, Texas Tax Code, certain Customers under this Contract are exempt from the assessment of State sales, use and excise taxes. Further, Customers under this Contract are exempt from Federal Excise Taxes, 26 United States Code Sections 4253(i) and (j). Assistance organizations may be exempt from the assessment of State sales, use and excise taxes under Section 151.310, Texas Tax Code. Vendor is responsible for determining applicable taxes on assistance organizations. DIR makes no representation, qualified to participate in this Contract pursuant to Section 2170.004(5), Texas Government Code. Vendor must request and receive any exemption certificates that may apply from each assistance organization directly.

J. Travel Expense Reimbursement

(<http://www.window.state.tx.us/procurement/prog/stmp/>). Travel time may not be included as part of the amounts payable by Customer for any services rendered under this Contract. The DIR administrative fee specified in the Contract is not applicable to travel expense reimbursement. Anticipated travel expenses must be pre-approved in writing by Customer.

K. Changes to Prices

Subject to the requirements of this section, Vendor may change the price of any product or service at any time, based upon changes to the MSRP, but discount levels shall remain consistent with the discount levels specified in this Contract.

- 1) Price increase or decrease change requests must be requested with a signed cover letter indicating the change in price. Price increase requests must be accompanied by a copy of the manufacturer or publisher's price list.
- 2) Price decreases shall take effect automatically during the term of this Contract and shall be passed onto the Customer immediately.
- 3) Requests for price increases will be accepted or rejected by DIR within thirty (30) calendar days after receipt of a properly submitted request. Increases that are not accepted within thirty (30) calendar days will be deemed rejected. If a properly submitted increase is rejected, Vendor may request that the product or service rejected be removed from the Contract. The product or service will be removed from the Contract upon execution of a written Contract amendment, which shall be transmitted to Vendor by DIR within thirty (30) calendar days after receipt of the written request to remove the product or service and executed by both parties without undue delay. Existing pricing must be honored up to the date of execution of the Contract amendment. Prices may not be increased for at least ninety (90) calendar days after the contract start date. Price reductions will be accepted at any time.

L. Purchase Orders

All Customer Purchase Orders will be placed directly with the Order Fulfiller. Accurate Purchase Orders shall be effective and binding upon Order Fulfiller when accepted by Order Fulfiller.

M. Invoices

- 1) Invoices shall be submitted by the Order Fulfiller directly to the Customer and shall be issued in compliance with Chapter 2251, Texas Government Code. All payments for products and/or services purchased under the Contract and any provision of acceptance of such products and/or services shall be made by the Customer to the Order Fulfiller.
- 2) Invoices must be timely and accurate. Each invoice must match Customer's Purchase Order and include any written changes that may apply, as it relates to products, prices and quantities. Invoices must include the Customer's Purchase Order number or other pertinent information for verification of receipt of the product or services by the Customer.

Appendix A
Standard Terms and Conditions For Product and Related Services Contracts

If, after the first fiscal year in which a particular Service acquired hereunder is installed, funds are not appropriated to continue paying for that particular Service in a subsequent fiscal year, then Customer may terminate that particular Service as of the last day for which funds were appropriated (“Date of Termination”), without being subject to termination charges set forth in the applicable Service Agreement; provided, however; that Customer shall be obligated to pay all charges incurred through the Date of Termination. Customer will make reasonable effort to notify Vendor thirty (30) days before the end of available appropriations; however, failure to do so will not subject customer to liability beyond the available appropriation.

b) Termination for Non-Appropriation by DIR

If DIR as a Customer terminates a Purchase Order or Service Agreement under subsection a) above, because funds sufficient to pay its obligations under the Contract are not appropriated: by the i) Texas legislature or ii) by budget execution authority provisioned to the Governor or the Legislative Budget Board as provided in Chapter 317, Texas Government Code, then the DIR may also terminate this Contract. In such event of non-appropriation, Vendor and/or Order Fulfiller will be provided thirty (30) calendar days written notice of intent to terminate. In the event of such termination, DIR will not be considered to be in default or breach under this Contract, nor shall it be liable for any further payments ordinarily due under this Contract, except for all charges incurred through the date of termination subject to the availability of appropriated funds, nor shall it be liable for any damages which are caused by or associated with such termination.

2) Absolute Right

DIR shall have the absolute right to terminate the Contract without recourse in the event that: i) Vendor becomes listed on the prohibited vendors list authorized by Executive Order #13224, *"Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism"*, published by the United States Department of the Treasury, Office of Foreign Assets Control; ii) Vendor becomes suspended or debarred from doing business with the federal government as listed in the *System for Award Management (SAM)* maintained by the General Services Administration; or (iii) Vendor is found by DIR to be ineligible to hold this Contract under Subsection (b) of Section 2155.006, Texas Government Code. Vendor shall be provided written notice in accordance with Section 12.A, Notices, of intent to terminate.

3) Termination for Convenience

DIR may terminate the Contract, in whole or in part, by giving the other party thirty (30) calendar days written notice. A Customer may terminate a Purchase Order by giving the other party thirty (30) calendar days written notice.

4) Termination for Cause

a) Contract

Either DIR or Vendor may issue a written notice of default to the other upon the

occurrence of a material breach of any covenant, warranty or provision of the Contract, upon the following preconditions: first, the parties must comply with the requirements of Chapter 2260, Texas Government Code in an attempt to resolve a dispute; second, after complying with Chapter 2260, Texas Government Code, and the dispute remains unresolved, then the non-defaulting party shall give the defaulting party thirty (30) calendar days from receipt of notice to cure said default. If the defaulting party fails to cure said default within the timeframe allowed, the non-defaulting party may, at its option and in addition to any other remedies it may have available, cancel and terminate the Contract. Customers purchasing products or services under the Contract have no power to terminate the Contract for default.

b) Purchase Order

Customer or Order Fulfiller may terminate a Purchase Order upon the occurrence of a material breach of any term or condition: (i) of the Contract, or (ii) included in the Purchase Order in accordance with Section 4.B.2 above, upon the following preconditions: first, the parties must comply with the requirements of Chapter 2260, Texas Government Code, in an attempt to resolve a dispute; second, after complying with Chapter 2260, Texas Government Code, and the dispute remains unresolved, then the non-defaulting party shall give the defaulting party thirty (30) calendar days from receipt of notice to cure said default. If the defaulting party fails to cure said default within the timeframe allowed, the non-defaulting party may, at its option and in addition to any other remedies it may have available, cancel and terminate the Purchase Order.

5) Customer Rights Under Termination

In the event the Contract expires or is terminated for any reason, a Customer shall retain its rights under the Contract and the Purchase Order issued prior to the termination or expiration of the Contract. The Purchase Order survives the expiration or termination of the Contract for its then effective term.

6) Vendor or Order Fulfiller Rights Under Termination

In the event a Purchase Order expires or is terminated, a Customer shall pay: 1) all amounts due for products or services ordered prior to the effective termination date and ultimately accepted, and 2) any applicable early termination fees agreed to in such Purchase Order.

C. Force Majeure

DIR, Customer, or Order Fulfiller may be excused from performance under the Contract for any period when performance is prevented as the result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party experiencing the event of Force Majeure has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance and to shorten the duration of the event of Force Majeure. The party suffering an event of Force Majeure shall provide notice of the event to the other parties when commercially reasonable. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination. However, a Customer may terminate a Purchase Order if it is determined by the Customer that Order Fulfiller will not be able to deliver product or services in a timely manner to meet the business needs of the Customer.
