

Appendix C Pricing Index (per Amendment 6)

DIR Contract No. DIR-SDD-1918

Products/Services	Customer Discount
CA Software Products and Maintenance Support available under the CA GSA Contract	Prevailing GSA Contract Price based on a quantity of one license or SAAS seat in effect at the time of the order plus the DIR administrative fee
CA Software Products and Maintenance Support not available under the CA GSA Contract	34.25% off the MSRP based on a quantity of one license in effect at the time of the order
Application Performance Management fka Wily Enterprise Management Products and Maintenance/Support	14.25% off the MSRP based on a quantity of one license in effect at the time of the order
Service Virtualization fka ITKO LISA Products and Maintenance/Support	14.25% off the MSRP based on a quantity of one license in effect at the time of the order
On Demand/Software as a Service (SaaS) that are not on the CA GSA Contract	0% for a quantity of one but may be negotiated at the time of order
API fka Layer 7 items	14.25% off the MSRP based on a quantity of one license in effect at the time of the order
CA Privileged Access Manager	14.25% off the MSRP – recent acquisition – see note b below
Technical Services and Education	Vendor will offer discounts based on the CA GSA prevailing contract labor rates and GSA prevailing contract price per training course in effect at the time of order plus the DIR administrative fee

Notwithstanding the foregoing, a) the GSA Contract Price and MSRP discount does not apply to any On Demand Services or to any special price for “suites” or “bundles” offered as special pricing and b) discount will not apply to any products newly acquired by CA, or new technology developed by CA, or any other product that CA deems to exclude unless explicitly offered to Customer by CA, and c) the software product discount listed above does not cover maintenance renewals for existing software. Renewals of these products will be calculated based on prior contract pricing.
