Standard Configurations

Vendor is providing recommended pre-configured Desktop and Laptop Models at fixed prices. The five (5) initial product offerings are listed below and the Recommended Technical Specifications are included in table below. The pricing below is pre-negotiated firm, fixed pricing to customers, not MSRP. DIR and Vendor will mutually review and agree to pre-configured offerings at least once every six months, and the Vendor website will be updated to reflect current offerings without the requirement of an additional contract amendment. The percentage discounts listed in the standard or volume pricing sections above do not apply to pre-negotiated pricing for pre-configured offerings listed below.
