Pursuant to House Bill 1516, 79th Legislature, which established a consolidated Data Center, all data center services provided by Vendor, excluding DIR-approved Services under the TexasOnline 2.0 Master Agreement, are managed and provided under contracts with one or more third party service providers.

STANDARD TERMS AND CONDITIONS

1. Customer Agreement Elements

- 1.1 The Parties acknowledge and agree that the terms of the TexasOnline 2.0 Master Agreement will apply to the Customer Agreement, and will remain in full force and effect except as may be expressly modified by the terms of a Customer Agreement or any amendment to the TexasOnline 2.0 Master Agreement made in accordance with specific provisions of the TexasOnline 2.0 Master Agreement, Section 5 Contract Amendments. In the event of any conflict between the terms and conditions of a Customer Agreement and those of the TexasOnline 2.0 Master Agreement, the terms and conditions in the TexasOnline 2.0 Master Agreement will govern with respect to the Parties and the Services delivered, unless the Customer Agreement specifically identifies by section number a clause of the TexasOnline 2.0 Master Agreement and indicates that the Customer Agreement will be controlling. Notwithstanding the foregoing, the Parties agree that as between Vendor and DIR on the one hand, and Customer on the other, Sections 8.1, 8.2 and 9.7 in the Customer Agreement Terms and Conditions will control over any expressly conflicting statement contained in the TexasOnline 2.0 Master Agreement, if any. The Parties acknowledge the TexasOnline 2.0 Master Agreement is subject to subsequent amendment by Vendor and DIR pursuant to its terms and agree that, to the extent any such amendments impact any Customer Agreement terms and conditions, such amendments will automatically apply to the Customer Agreement with no further action by the Parties.
- 1.2 These Customer Agreement Standard Terms and Conditions may be modified by DIR and Vendor pursuant to the modification of terms of the TexasOnline 2.0 Master Agreement. Such modifications will be effective as to the affected Customer Agreements following thirty days written notice to the Customers.

provide the Services described in the agreed attachments to the Customer Agreement.

2. DIR Approval

Customer acknowledges that in order for Vendor to provide services pursuant to a Customer Agreement, DIR must approve placing Customer's website and/or applications (each approved website or application is an "Application") on the TexasOnline 2.0 system. Notwithstanding the foregoing, Customer will not have the right to cancel the Customer Agreement if Vendor's failure or inability to comply with the terms and conditions of the Customer Agreement is caused by or arises from, in whole or in part, the refusal or inability, for whatever reason, of Customer to provide the support and assistance that Vendor requires from Customer to perform its obligations under the Customer Agreement, and which Customer previously agreed to provide to Vendor. If Customer does not provide Vendor with the requisite level or amount of support, for whatever reason, Vendor will, upon receipt of DIR approval, be entitled, but not obligated, to suspend or cancel any further work on the particular service or product or Application for which adequate support is not available, and focus its efforts on other services, products or Applications.

through TexasOnline 2.0, if the Customer terminates the Customer Agreement for convenience or lack of funding before those costs are fully recovered. Such unrecovered costs will be calculated in accordance with *Exhibit B Terms and Conditions, Section 11.03(d) Termination fee of the Master Agreement*.

Any pursuit of equitable relief will not constitute a waiver by DIR or Customer of any immunity from suit or liability. Notwithstanding the foregoing, DIR and Customer are not precluded from initiating a lawsuit for damages against Vendor in a court of competent jurisdiction and may do so without engaging in the process provided by Chapter 2260 of the Texas Government Code or 37 TEX.
