DEPARTMENT OF INFORMATION RESOURCES
CONTRACT FOR PRODUCTS AND RELATED SERVICES**

Mythics, Inc.

1. Introduction

A. Parties

This Contract for Products and Related Services (“Contract”) is entered into between the State of Texas (“State”), acting by and through the Department of Information Resources (“DIR”) with its principal place of business at 300 West 15th Street, Suite 1300, Austin, Texas 78701, and Mythics, Inc. (“Vendor”), with its principal place of business at 1439 N. Great Neck Road, Virginia Beach, VA 23454.

B. Compliance with Procurement Laws

This Contract is the result of compliance with applicable procurement laws of the State. DIR issued a solicitation on the Comptroller of Public Accounts’ Electronic State Business Daily, Request for Offer (RFO) DIR-TSO-TMP-210, on January 29, 2014, for Oracle Branded Manufacturer Hardware, Software and Related Products and Services. Upon execution of this Contract, a notice of award for RFO DIR-TSO-TMP-210 shall be posted by DIR on the Electronic State Business Daily.

C. Order of Precedence

This Contract; Appendix A, Standard Terms and Conditions For Products and Related Services Contracts; Appendix B, Vendor’s Historically Underutilized Businesses Subcontracting Plan; Appendix C, Pricing Index; Appendix D, Software License and Services Agreement; Exhibit 1, Vendor’s Response to RFO DIR-TSO-TMP-210, including all addenda; and Exhibit 2, RFO DIR-TSO-TMP-210, including all addenda; are incorporated by reference and constitute the entire agreement between DIR and Vendor. In the event of a conflict between the documents listed in this paragraph, the controlling document shall be this Contract, then Appendix A, then Appendix B, then Appendix C, then Appendix D, then Exhibit 1, and finally Exhibit 2. In the event and to the extent any provisions contained in multiple documents address the same or substantially the same subject matter but do not actually conflict, the more recent provisions shall be deemed to have superseded earlier provisions.

2. Term of Contract

The term of this Contract shall be one (1) year commencing on the last date of approval by DIR and Vendor. Prior to expiration of the original term, DIR may extend the Contract, by amendment for up to three (3) optional one-year terms. Protracted contract negotiations may, in DIR’s sole discretion, result in fewer optional renewal terms.

3. Product and Service Offerings

A. Products

Products available under this Contract are limited to Oracle Branded Hardware, Software and Related Products and Services, including but not limited to Oracle America, Inc.'s brands such as Sun, PeopleSoft, JD Edwards, Siebel, and Primavera as specified in Appendix C, Pricing Index. This Contract for Oracle Branded Hardware, Software and Related Products and Services does not include the following:

- Cloud Infrastructure as a Service (IaaS). The capability to provide a consumer (DIR Customer) processing, storage, networks, and other fundamental computing resources where the consumer is able to deploy and run arbitrary software, which can include operating systems and applications. The consumer does not manage or control the underlying cloud infrastructure but has control over operating systems, storage, deployed applications, and possibly limited control of select networking components (e.g., host firewalls).
- Cloud Platform as a Service (PaaS). The capability to provide to the consumer (DIR Customer) the ability to deploy onto the cloud infrastructure consumer-created or acquired applications created using programming languages and tools supported by the provider.
- Cloud Broker(age). A cloud broker is an entity that manages the use, performance and delivery of cloud services, and negotiates relationships between cloud providers and cloud consumers. A cloud broker acts as the intermediary between consumer and provider and will help consumers through the complexity of cloud service offerings and may also create value-added cloud services.
- Cloud Assessment. The purpose of cloud assessment is to assist an organization in establishing a strategy and roadmap for moving applications to the cloud. Assessments enable the customer to identify candidates for cloud services, identify risks and benefits based on a set of criteria such as operational readiness, security, application characteristics, complexity, cost, etc. The cloud assessment may be provided as a service, as a tool to be used by the customer or a combination.

Vendor may incorporate changes to their product offering; however, any changes must be within the scope of the RFO and products awarded based on the posting described in Section 1.B above. Vendor may not add a manufacturer's product line which was not included in the Vendor's response to the solicitation described in Section 1.B above.

B. Services

Services available under this Contract are limited to services as specified in the RFO and Appendix C, Pricing Index. Vendor may incorporate changes to their service offering; however, any changes must be within the scope of services awarded based on the posting described in Section 1.B above.

4. Pricing

Pricing to the DIR Customer shall be as set forth in Appendix A, Section 8, Pricing, Purchase Orders, Invoices and Payment, and as set forth in Appendix C, Pricing Index, and shall include the DIR Administrative Fee.

5. DIR Administrative Fee

A) The administrative fee to be paid by the Vendor to DIR based on the dollar value of all sales to Customers pursuant to this Contract is three-quarters of one percent (0.75%). Payment will be calculated for all sales, net of returns and credits. For example, the administrative fee for sales totaling \$100,000 shall be \$750.00.

B) All prices quoted to Customers shall include the administrative fee. DIR reserves the right to change this fee upwards or downwards during the term of this Contract, upon written notice to Vendor without further requirement for a formal contract amendment. Any change in the administrative fee shall be incorporated by Vendor in the price to the Customer.

2) "Intellectual Property Rights" means the worldwide legal rights or interests evidenced by or embodied in: (i) any idea, design, concept, personality right, method, process, technique, apparatus, invention, discovery, or improvement, including any patents, trade secrets, and know-how; (ii) any work of authorship, including any copyrights, moral rights or neighboring rights; (iii) any trademark, service mark, trade dress, trade name, or other indicia of source or origin; (iv) domain name registrations; and (v) any other proprietary or similar rights. 3) "Statement of Work" means a document signed by Customer and Vendor describing a specific set of activities and/or deliverables, which may include Work Product and Intellectual Property Rights, that Vendor is to provide Customer, issued pursuant to the Contract.

4) "Third Party IP" means the Intellectual Property Rights of any third party that is not a party to this Contract, and that is not directly or indirectly providing any goods or services to Customer under this Contract.

5) "Vendor IP" shall mean all tangible or intangible items or things, including the Intellectual Property Rights therein, created or developed by Vendor (a) prior to providing any Services or Work Product to Customer and prior to receiving any documents, materials, information or funding from or on behalf of Customer relating to the Services or Work Product, or (b) after the Effective Date of the Contract if such tangible or intangible items or things were independently developed by Vendor outside Vendor's provision of Services or Work Product for Customer hereunder and were not created, prepared, developed, invented or conceived by any Customer personnel who then became personnel to Vendor or any of its affiliates or subcontractors, where,

although creation or reduction-to-practice is completed while the person is affiliated with Vendor or its personnel, any portion of same was created, invented or conceived by such person while affiliated with Customer.

C. Appendix A, Section 5.B, Intellectual Property Matters, is restated in its entirety as follows:

B. Ownership.

As between Vendor and Customer, the Work Product and Intellectual Property Rights therein are and shall be owned exclusively by Customer, and not Vendor, except when Oracle serves as a subcontractor to Vendor providing technical support, education, hosted/outsourcing services, consulting or other services. Oracle retains all ownership and intellectual property rights to its programs. Oracle retains all ownership and intellectual property rights to anything developed using Oracle Programs and delivered under this contract resulting from Services provided by Oracle. In the circumstances described above, Vendor guarantees that Oracle grants Customer a fully paid, perpetual, transferable license to use and modify all such work or product. Title to the Programs is retained by Oracle and shall not pass to the Customer or any third party. Vendor specifically agrees that the Work Product shall be considered "works made for hire" and that the Work Product shall, upon creation, be owned exclusively by Customer. To the extent that the Work Product, under applicable law, may not be considered works made for hire, Vendor hereby agrees that the Contract effectively transfers, grants, conveys, assigns, and relinquishes exclusively to Customer all right, title and interest in and to all ownership rights in the Work Product, and all Intellectual Property Rights in the Work Product, without the necessity of any further consideration, and Customer shall be entitled to obtain and hold in its own name all Intellectual Property Rights in and to the Work Product. Vendor acknowledges that Vendor and Customer do not intend Vendor to be a joint author of the Work Product within the meaning of the Copyright Act of 1976. Customer shall have access, during normal business hours (Monday through Friday, 8AM to 5PM) and upon reasonable prior notice to Vendor, to all Vendor materials, premises and computer files containing the Work Product. Vendor and Customer, as appropriate, will cooperate with one another and execute such other documents as may be reasonably appropriate to achieve the objectives herein. No license or other right is granted hereunder to any Third Party IP, except as may be incorporated in the Work Product by Vendor.

D. Appendix A, Section 5.I, Intellectual Property Matters, is restated in its entirety as follows:

I. Third-Party Underlying and Derivative Works.

To the extent that any Vendor IP or Third Party IP are embodied or reflected in the Work Product, or are necessary to provide the Services, Vendor hereby grants to the Customer, or shall obtain from the applicable third party for Customer's benefit, the non-exclusive, non-assignable, royalty-free, perpetual (unless otherwise specified in the ordering document), limited right to use the Programs and receive any services the Customer ordered solely for the Customer's internal business operations and subject to the terms of the End User License Agreement, including the definitions and rules set forth in the order and the program documentation. Upon payment of undisputed amounts due for Services, Customer has the non-exclusive, non-assignable, royalty free, perpetual, limited right to use for Customer's internal business operations anything developed by Oracle and delivered under this contract; however, certain deliverables may be subject to additional license terms provided in the Oracle ordering document. Customer is prohibited from duplicating the Programs except that Customer may make a sufficient number of copies of each Program for its licensed use and one copy of each program media. Vendor agrees to notify Customer on delivery of the Work Product or Services if such materials include any Third Party IP. On request, Vendor shall provide Customer with documentation indicating a third party's written approval for Vendor to use any Third Party IP that may be embodied or reflected in the Work Product.

E. Appendix A, Section 11.B, Contract Enforcement, is restated in its entirety as follows:

In the event of such termination, the Customer will not be considered to be in default or breach under this Contract, nor shall it be liable for any further payments ordinarily due under this Contract, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination.

b) Termination for Non-Appropriation by DIR

DIR may terminate Contract if funds sufficient to pay its obligations under the Contract are not appropriated: by the i) Texas legislature or ii) by budget execution authority provisioned to the Governor or the Legislative Budget Board as provided in Chapter 317, Texas Government Code. 2) Absolute Right

DIR shall have the absolute right to terminate the Contract without recourse in the event that: i) Vendor becomes listed on the prohibited vendors list authorized by Executive Order #13224, "*Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism*", published by the United States Department of the Treasury, Office of Foreign Assets Control; ii) Vendor becomes suspended or debarred from doing business with the federal government as listed in the *System for Award Management (SAM)* maintained by the General Services Administration; or (iii) Vendor is found by DIR to be ineligible to hold this Contract under Subsection (b) of Section 2155.006, Texas Government Code. Vendor shall be provided written notice in accordance with Section 12.A, Notices, of intent to terminate.

3) Termination for Convenience

DIR or Vendor may terminate the Contract, in whole or in part, by giving the other party thirty (30) calendar days written notice. A Customer may terminate an Order Form and corresponding Purchase Order by giving Vendor thirty (30) calendar days written notice. If a Customer terminates an Order Form and corresponding Purchase Order for technical support services pursuant to this provision, the Customer shall pay for the amounts that have accrued for services received prior to the termination of such Order Form and corresponding Purchase Order.

4) Termination for Cause

a) Contract

Either DIR or Vendor may issue a written notice of default to the other upon the occurrence of a material breach of any covenant, warranty or provision of the Contract, upon the following preconditions: first, the parties must comply with the requirements of Chapter 2260, Texas Government Code in an attempt to resolve a dispute; second, after complying with Chapter 2260, Texas Government Code, and the dispute remains unresolved, then the non-defaulting party shall give the defaulting party thirty (30) calendar days from receipt of notice to cure said default. If the defaulting party fails to cure said default within the timeframe allowed, the non-defaulting party may, at its option and in addition to any other remedies it may

have available, cancel and terminate the Contract. Customers purchasing products or services under the Contract have no power to terminate the Contract for default.

b) Purchase Order

Customer or Order Fulfiller may terminate a Purchase Order upon the occurrence of a material breach of any term or condition: (i) of the Contract, or (ii) included in the Purchase Order in accordance with Section 11.B.2 above, upon the following preconditions: first, the parties must comply with the requirements of Chapter 2260, Texas Government Code, in an attempt to resolve a dispute; second, after complying with Chapter 2260, Texas Government Code, and the dispute remains unresolved, then the non-defaulting party shall give the defaulting party thirty (30) calendar days from receipt of notice to cure said default. If the defaulting party fails to cure said default within the timeframe allowed, the non-defaulting party may, at its option and in addition to any other remedies it may have available, cancel and terminate the Purchase Order.

5) Customer Rights Under Termination

In the event the Contract expires or is terminated for any reason, a Customer shall retain its rights under the Contract and the Purchase Order issued prior to the termination or expiration of the Contract. The Purchase Order survives the expiration or termination of the Contract for its then effective term.

6) Vendor or Order Fulfiller Rights Under Termination

In the event a Purchase Order expires or is terminated, a Customer shall pay: 1) all amounts due for products or services ordered prior to the effective termination date and ultimately accepted, and 2) any applicable early termination fees agreed to in such Purchase Order.
