3. **Contract, Section 7.B. Conflicting or Additional Terms** is hereby restated in its entirety as follows:

**B. Conflicting or Additional Terms**

In the event that conflicting or additional terms in Vendor Software License Agreements, Shrink/Click Wrap License Agreements, Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor’s initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer’s authorized signatory.

Vendor shall not without prior written agreement from Customer’s authorized signatory, require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer of Publisher.

4. **Contract, Section 8, Authorized Exceptions to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts**, is hereby amended and restated in its entirety as follows:

1. **Section 5. Intellectual Property Matters** is hereby deleted and restated in its entirety as follows:
At present, no development of new code or other customization of Intellectual Property is contemplated under this contract. At such time as Vendor and Customer agree to a scope of work involving new code development, the parties agree to negotiate applicable Intellectual Property provisions.

5. **Appendix C – Pricing Index**, is hereby restated in its entirety and replaced with the attached Appendix C – Pricing Index (Per Amendment 5).

6. **Appendix A. Standard Terms and Conditions For Product and Related Services Contracts** dated 09/24/15, is hereby restated in its entirety and replaced with the attached **Appendix A. Standard Terms and Conditions For Product and Related Services Contracts** dated 05/10/2017.

7. All other terms and conditions of the Contract as amended, not specifically modified herein, shall remain in full force and effect. In the event of conflict among the provisions, the order of precedence shall be Amendment Number 5, Amendment Number 4, Amendment Number 3, Amendment Number 2, Amendment Number 1, and then the Contract.

IN WITNESS WHEREOF, the parties hereby execute this amendment to be effective as of the date of the last signature, but in all events, no later than June 22, 2017.
