DEPARTMENT OF INFORMATION RESOURCES
CONTRACT FOR PRODUCTS AND RELATED SERVICES**

AECOM TECHNICAL SERVICES, INC.

1. Introduction

A. Parties

This Contract for products and related services is entered into between the State of Texas, acting by and through the Department of Information Resources (hereinafter “DIR”) with its principal place of business at 300 West 15th Street, Suite 1300, Austin, Texas 78701, and AECOM Technical Services, Inc. (hereinafter “Vendor”), with its principal place of business at 555 S. Flower Street, Suite 1050, Los Angeles, California 90071.

B. Compliance with Procurement Laws

This Contract is the result of compliance with applicable procurement laws of the State of Texas. DIR issued a solicitation on the Comptroller of Public Accounts’ Electronic State Business Daily, Request for Offer (RFO) DIR-SDD-TMP-232, on November 24, 2015, for Geographic Information Systems (GIS) Hardware, Software and Services. Upon execution of this Contract, a notice of award for RFO DIR-SDD-TMP-232 shall be posted by DIR on the Electronic State Business Daily.

C. Order of Precedence

For purchase transactions under this Contract, the order of precedence shall be as follows: this Contract; Appendix A, Standard Terms and Conditions For Products and Related Services Contracts; Appendix B, Vendor’s Historically Underutilized Businesses Subcontracting Plan; Appendix C, Pricing Index; Exhibit 1, Vendor’s Response to RFO DIR-TSO-TMP-232, including all addenda; and Exhibit 2, RFO DIR-TSO-TMP-232, including all addenda; are incorporated by reference and constitute the entire agreement between DIR and Vendor governing purchase transactions. In the event of a conflict between the documents listed in this paragraph related to purchases, the controlling document shall be this Contract, then Appendix A, then Appendix B, then Appendix C, then Exhibit 1, and finally Exhibit 2. In the event and to the extent any provisions contained in multiple documents address the same or substantially the same subject matter but do not actually conflict, the more recent provisions shall be deemed to have superseded earlier provisions.

2. Term of Contract

The term of this Contract shall be two (2) years commencing on the last date of approval by DIR and Vendor. Prior to expiration of the original term, DIR and Vendor may extend the Contract, upon mutual agreement, for up to two (2) optional one-year terms. Additionally, the parties by mutual agreement may extend the term for up to ninety (90) additional calendar days.

3. Product and Service Offerings

A. Products

Products available under this Contract are limited to GIS products as specified in Appendix C, Pricing Index. Vendor may incorporate changes to their product offering; however, any changes must be within the scope of products awarded based on the posting described in Section 1.B above. Vendor may not add a manufacturer's product line which was not included in the Vendor's response to the solicitation described in Section 1.B above.

B. Services

Services available under this Contract are limited to Geospatial Services, Custom Geospatial Data and Services and GIS Product Related Services as specified in Appendix C, Pricing Index. Vendor may incorporate changes to their service offering; however, any changes must be within the scope of services awarded based on the posting described in Section 1.B above.

4. Pricing

Pricing to the DIR Customer shall be as set forth in Appendix A, Section 8, Pricing, Purchase Orders, Invoices and Payment, and as set forth in Appendix C, Pricing Index, and shall include the DIR Administrative Fee.

5. DIR Administrative Fee

Payment will be calculated for all sales, net of returns and credits. For example, the administrative fee for sales totaling \$100,000 shall be \$750.00.

B. All prices quoted to Customers shall include the administrative fee. DIR reserves the right to change this fee upwards or downwards during the term of this Contract, upon written notice to Vendor without further requirement for a formal contract amendment. 8. Authorized Exceptions to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts.

A. Section 5. Intellectual Property Matters, B. Ownership is hereby replaced in its entirety as follows:

B. Ownership.

As between Vendor and Customer, the Work Product and Intellectual Property Rights therein are and shall be owned exclusively by Customer, and not Vendor. Vendor specifically agrees that the Work Product shall be considered “works made for hire” and that the Work Product shall, upon creation, be owned exclusively by Customer. To the

extent that the Work Product, under applicable law, may not be considered works made for hire, Vendor hereby agrees that the Contract effectively transfers, grants, conveys, assigns, and relinquishes exclusively to Customer all right, title and interest in and to all ownership rights in the Work Product, and all Intellectual Property Rights in the Work Product, without the necessity of any further consideration, and Customer shall be entitled to obtain and hold in its own name all Intellectual Property Rights in and to the Work Product. Vendor acknowledges that Vendor and Customer do not intend Vendor to be a joint author of the Work Product within the meaning of the Copyright Act of 1976. Customer shall have access, during normal business hours (Monday through Friday, 8AM to 5PM) and upon reasonable prior notice to Vendor, to all Vendor materials, premises and computer files containing the Work Product. Vendor and Customer, as appropriate, will cooperate with one another and execute such other documents as may be reasonably appropriate to achieve the objectives herein. No license or other right is granted hereunder to any Third Party IP, except as may be incorporated in the Work Product by Vendor. Notwithstanding the foregoing, Vendor shall bear no liability or responsibility for Work Product that has been modified post-delivery or used for a purpose other than that for which it was prepared under this Contract.
